CIRCULAR 52/2010

TEAM DRESS CODE

We advise that the above subject came under discussion at the recent meeting of Council and it was agreed to revise the situation regarding the wearing of shorts in team events for competitive play.

It is now acceptable for individual members in a team event to wear either long pants or shorts in the same team during competitive play.

It however, should be noted that teams are required to be uniformly dressed in terms of colour i.e. all the bottoms and all the tops are to be the same colour. This also applies to mixed team events where the team members are required to be uniformly dressed. It follows that if the men are wearing white/cream pants the women must be similarly attired.

A handwritten signature in blue ink, which appears to read "John Ravenscroft".
